★★★★S THE GOLDEN HOUR

VIP, COME AND DISCOVER MY WORLD!

DOGS WELCOME
WITH CARE

Boffenigo – The Golden Hour continues to **warmly welcome** guests who wish to share their stay with their **four-legged companion**, while **adopting a more thoughtful approach, with a more limited presence and clearer rules.**
Our *VIPs – Very Important Pets* therefore have a few dedicated spaces and some simple rules to follow, designed to ensure **hygiene, peace and consideration for all our guests**, while preserving the relaxing and harmonious atmosphere that defines Boffenigo.
As a VIP, we're sure this won't be difficult at all.

1. YOUR ROOM IS SPECIAL
At Boffenigo, our four-legged guests stay **exclusively in Junior Suites with a terrace or garden**. Only **one dog per room** is allowed, and its **presence** must be **communicated** in **advance** and **confirmed** by the hotel before arrival.

2. SOME PLACES ARE FOR YOU, WHILE OTHERS REMAIN OFF LIMITS…
You can spend time with your two-legged travel companions on the **lounge-bar terrace** next to reception.
Dogs are not allowed in the following areas: the indoor breakfast room, the outdoor breakfast area, the indoor or outdoor restaurant, the Pool Bar, the entire park including the areas with sun loungers and parasols, the pools and the Wellness&Spa area.

3. …BUT DON'T WORRY: THERE'S A CORNER OF BOFFENIGO JUST FOR YOU
Near Car Park 1, you'll find a **green area reserved especially for dogs**, also designed for those little necessities. Your companion already knows what comes next… we're simply here to remind them.

4. YOUR LEASH IS YOUR OFFICIAL ACCESSORY
Whenever you leave your room and enter the shared areas where dogs are welcome, you must always be accompanied and kept on a leash. It's a small gesture that helps everyone at Boffenigo enjoy the same peaceful atmosphere.

5. IF YOU STAY IN THE ROOM ON YOUR OWN, LET US KNOW
When your family heads out without you, ask them to hang the special sign provided at check-in on the door.
That way, our team knows there's a VIP inside in relaxation mode.

6. DURING HOUSEKEEPING, LET OUR TEAM DO THEIR WORK
When it's time to tidy your room, you'll need to stay under your companion's supervision and avoid roaming freely while our housekeeping team is at work.
It helps them work comfortably and allows us to maintain Boffenigo's high hygiene standards.

7. LEAVE YOUR MARK ONLY IN THE MEMORIES
We're sure you'll be an impeccable guest. However, if you happen to damage or stain the room, furniture or hotel equipment, the related cost will be charged to whoever is staying with you.
After all, someone has to pick up the bill.

8. A TRUE VIP ALWAYS TRAVELS WITH THEIR PAPERS IN ORDER
Your health and vaccination record must be available during your stay, with vaccinations up to date and everything needed to confirm that you are in good health.

9. EVEN A VIP STAY COMES WITH A LITTLE EXTRA
A supplement of 25,00 euros per night applies to your stay. This also contributes to the thorough cleaning of the room after your departure, so everything is perfect for the guests arriving after you.

Now you can relax.
Respect the spaces, take your humans out for a walk and enjoy your stay.

Welcome to the B-Family, VIP.

And enjoy your Golden Hour too!
